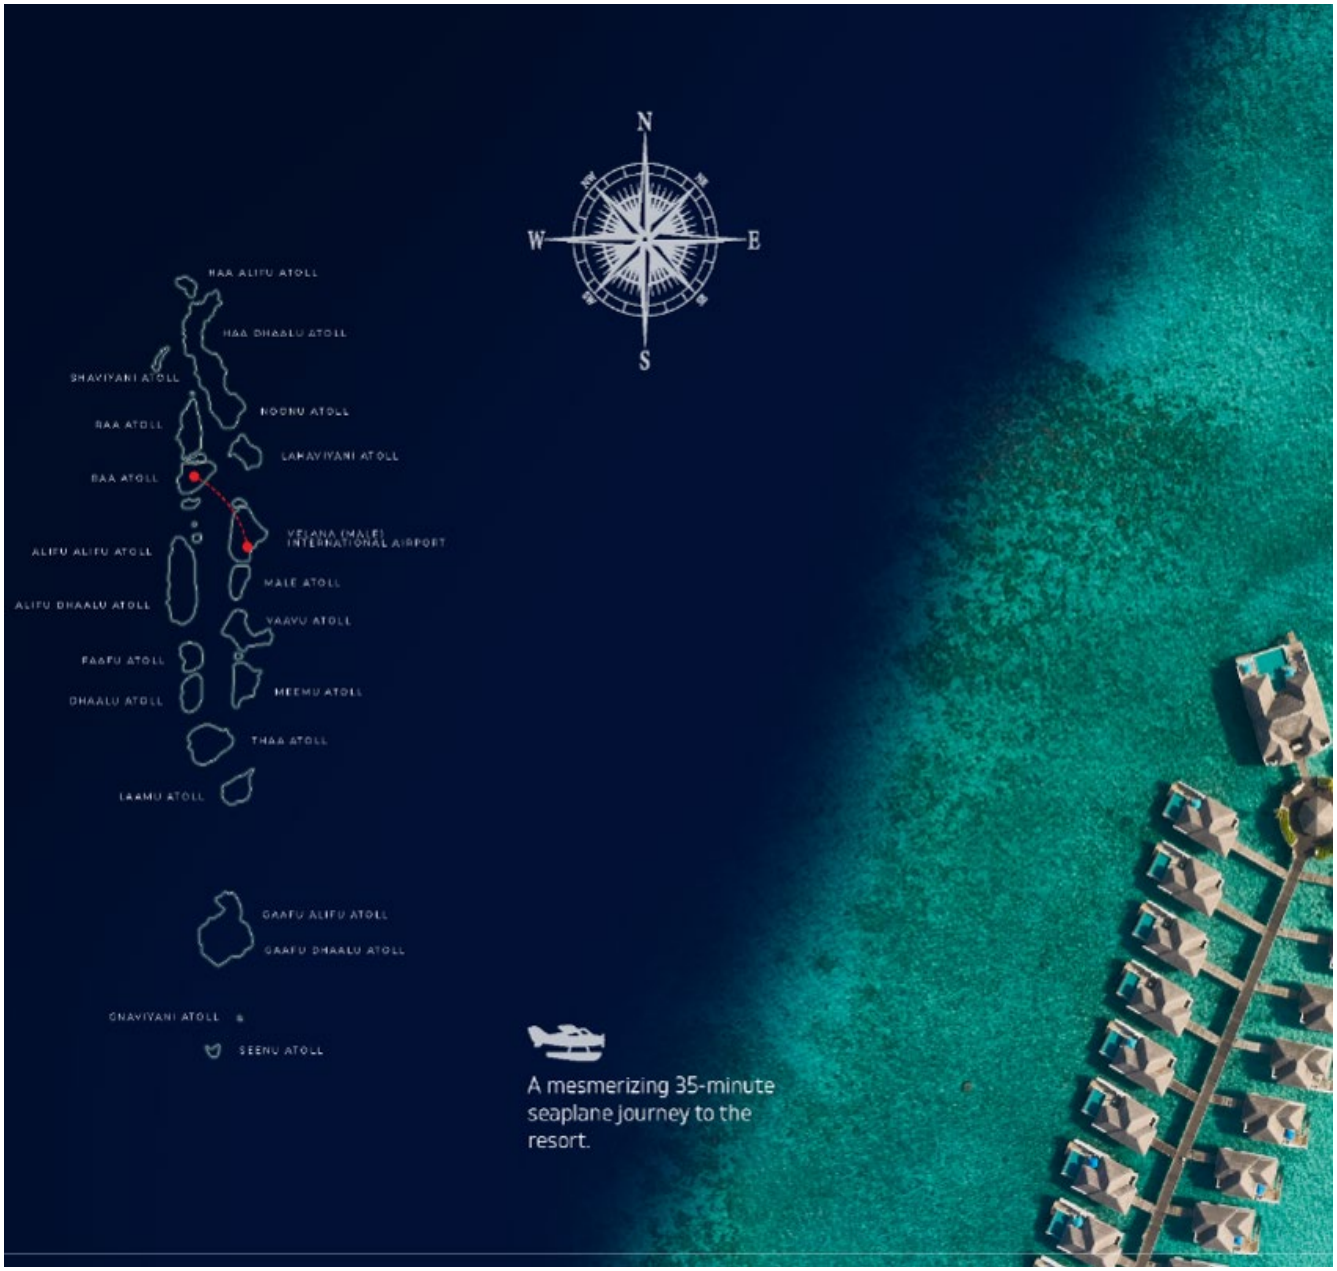
Welcome to Finolhu, a Seaside Collection Resort.



Location

Our Baa Atoll location is hard to beat. Brimming with colourful corals and fascinating marine life, its underwater splendour earned it UNESCO Biosphere Reserve status. Boat to the world-famous Hanifaru Bay, where a cyclone of manta rays and multiple whale sharks come to feed from May to November. In the Maldives, it's summer year-round, with an average air temperature of 29 degrees and water temperatures between 28 and 30 degrees —all you need is your swimsuit.

How to get there:
121 KM from Malé
35 minutes on seaplane from Velana International Airport
