A NEW STANDARD IN VILLA LIVING

The refurbishment of the Deluxe Three-Bedroom Beachfront Villas with Private Pools introduces a sophisticated new design inspired by the latest Ikos villa collection. Drawing on the contemporary Mediterranean style debuted at Ikos Porto Petro and Ikos Odisia in 2026, refreshed interiors combine natural stone, warm timber finishes, tactile fabrics and a calming neutral colour palette to create an atmosphere of understated luxury and timeless elegance. Living spaces have been carefully reimagined to feel open, light-filled and effortlessly connected to the surrounding landscape, while thoughtfully curated furnishings and refined detailing elevate both comfort and style.

Designed for larger families and multigenerational travel, the villa offers exceptional privacy alongside generous indoor and outdoor living spaces, allowing guests to relax, reconnect and enjoy the exclusivity of a private beachfront residence.

Combined with Ikos Dassia's eight exceptional restaurants, extensive beachfront location, award-winning spas, Local Discovery experiences and the intuitive service that Ikos is famed for, the redesigned Three-Bedroom Beachfront Villa offers discerning travellers an elevated villa experience with all the benefits of a luxury resort.
