OUR ADVICE WHEN GOING SNORKELLING:

- Always go swimming with a buddy and not alone
- If you do not know how to swim or snorkel, please seek the services of the H.U.B team
- Be aware that even with a lifeguard on duty who has a lot of ground to cover, you are entering the water at your own risk
- Please refrain from swimming after dark
- Life jackets are available in your villas. We encourage all our guests to wear a life jacket especially if you are not a strong swimmer
- Please stay within our recommended swimming or snorkelling area as explained during your briefing with the team
- Be sure to stay close to shore and reserve enough energy to get back to shore safely
- Weather and sea conditions change regularly, please check with a member of our H.U.B team before you go swimming or snorkelling
- Usage of inflatable items are prohibited in the sea for safety reasons
