OZEN
LIFE
MAADHOO
A Season of
Tropical Cheer

Dear Guests,

It gives me immense pleasure to welcome you to OZEN LIFE MAADHOO during the most magical time of the year—the festive season, where joy, togetherness, and cherished memories take centre stage.

This year, we have woven the spirit of the season into two distinct celebrations that reflect the beauty and vibrancy of our island home. Our Christmas festivities embrace the theme *Indian Ocean* —a tribute to the rich culture, flavours, and traditions of the region that surrounds us. From ocean-inspired feasts to soulful performances, every moment is designed to honour the sea that cradles our island.

As we bid farewell to the year, we welcome the dawn of a new one with our New Year's Eve celebration, *Glitz & Glam* —an evening of sparkling elegance, dazzling entertainment, and unforgettable revelry by the magical shore of Maldives.

We invite you to immerse yourself fully in these celebrations, to connect with loved ones, and to create moments that will linger long after you return home.

Thank you for choosing to spend this special season with us. We are deeply honoured to be part of your story.

Wishing you a joyful festive season ahead,

MEI P. PUN
General Manager
