An Interstellar Festive Season

A JOURNEY THROUGH THE CELESTIAL SKY

Welcome to our vibrant island home.

It is my great pleasure to welcome you as we gather to celebrate this festive season together. Inspired by the timeless beauty of the night sky, our 2026 festive season pays tribute to the stars that have guided life in the Maldives for generations, connecting people through discovery, wonder, and new beginnings. Throughout your stay, we invite you to enjoy a collection of memorable experiences, from festive gatherings and culinary journeys to magical celebrations inspired by the cosmos.

As we come together beneath these same stars, we celebrate the joy of the season and the connections we share with family, friends, and fellow travellers from around the world. On behalf of our entire team, thank you for choosing to spend this special time with us. We are honoured to be part of your journey and wish you a season filled with joy, wonder, and bright new horizons.

Cheers,

MARK ELETR

COCO MARUNO

HOLISTIC HEALER & PERSONAL GUIDE

With more than two decades of experience in some of the world's leading wellness destinations, Coco Maruno is known for her private work with individuals navigating periods of transition, emotional exhaustion and personal change.

Through restorative bodywork, Tibetan sound and intuitive guidance, Coco creates a deeply personal space where the nervous system can settle and the noise of everyday life begins to soften. In that stillness, people can more clearly recognize who they truly are and trust their own inner knowing.

This philosophy is at the heart of the Cosmic Rejuvenation Method™ and The Inner Compass Method™ - two signature pathways for those seeking to feel calmer, reconnect with themselves and find clarity of direction.
