

Dear Partners,

We would like to inform you that Dinarobin Beachcomber Golf Resort & Spa is preparing to open a new chapter in its story. The hotel will be temporarily closed from 15 May to 15 October 2027.

For 25 years, Dinarobin Beachcomber has been a place to slow down, reconnect and enjoy the simple pleasures of life. Nestled at the foot of Le Morne, the resort is known for its peaceful atmosphere, its warm Mauritian welcome and the sense of togetherness that has always been part of its identity. This next chapter will build on that spirit, preserving what makes Dinarobin Beachcomber special while continuing to evolve the experience offered to our guests.

We understand that this closure may affect some existing bookings. Guests who have already confirmed their stay at Dinarobin Beachcomber Golf Resort & Spa during this period will be offered a suitable solution, ensuring that their travel plans are managed in the best possible conditions.

We thank you for your support in sharing this information with your clients and remain at your disposal should you require any further information or clarification.

Yours sincerely,

The Commercial Team
